

It is the purpose of the Knoll to portray student life as it existed on campus. I hope that the following pages will kindle in your mind, the memory of your days here.

We'll move together then  
and share the year's last  
warmness  
swallowing the rain like  
brandy.

it was always the same and yet

And Faculty

"Oh, this is good, I felt, to be part of this movement,  
This mood, this music, part of the human race,  
Alike and different, after the game is over,  
Streaming away to the exit and underground."

Humphries

Now that the game is over, the turmoil and the ferment ended, the brightness  
sometimes dimmed in smoke, we were alike and different, wayfarers together,  
wending through unknown country, home when the day breaks and the shadows  
flee away.

"The wayfarer  
Perceiving the pathway to truth,  
Was struck with astonishment.  
It was thickly grown with weeds."

Crane

# Headstart Christmas Party

may my heart always be open to little birds who are the secrets of living.

whatever they sing is better than to know and if men should not hear them men are old.

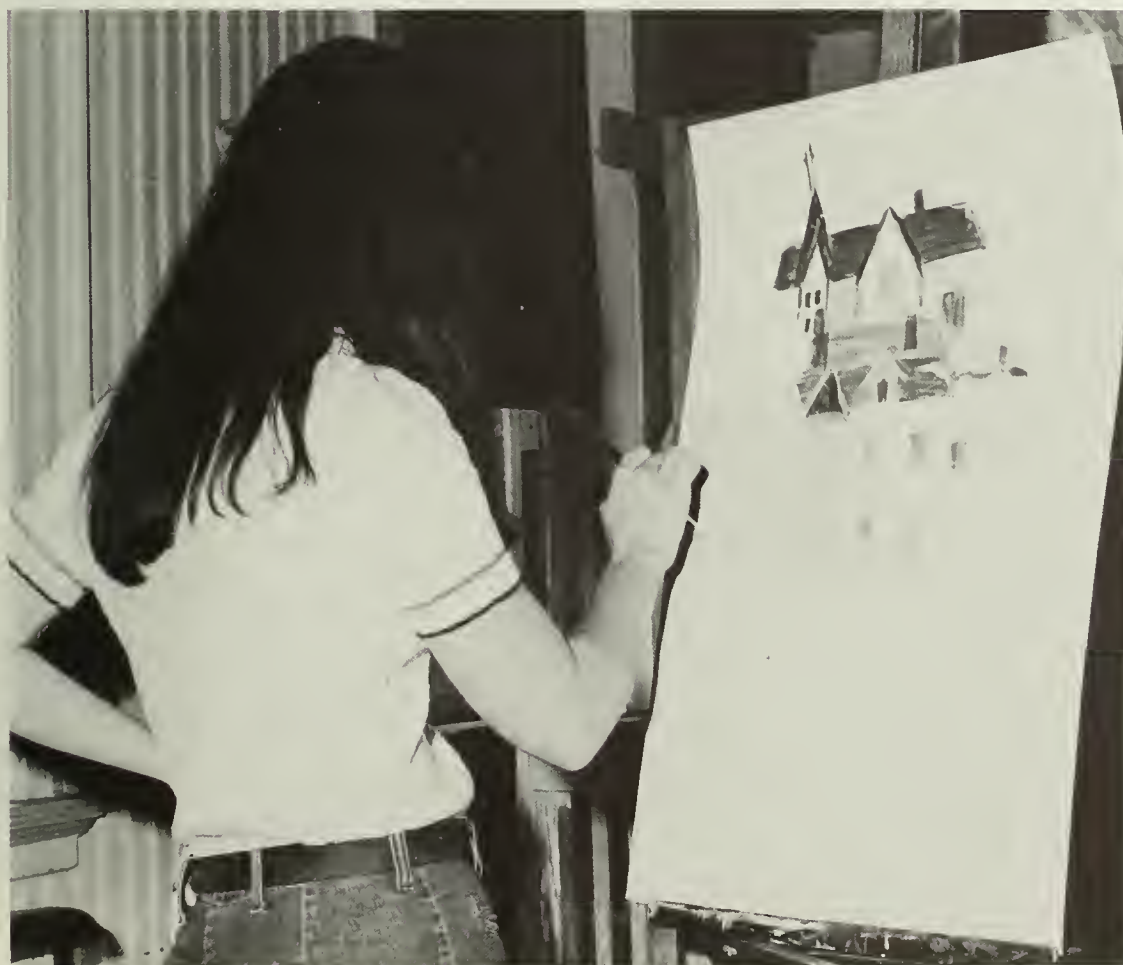

e.e. cummings

I'd rather learn from one bird how to sing than  
 teach ten thousand stars how not to dance.  
 e.e. cummings

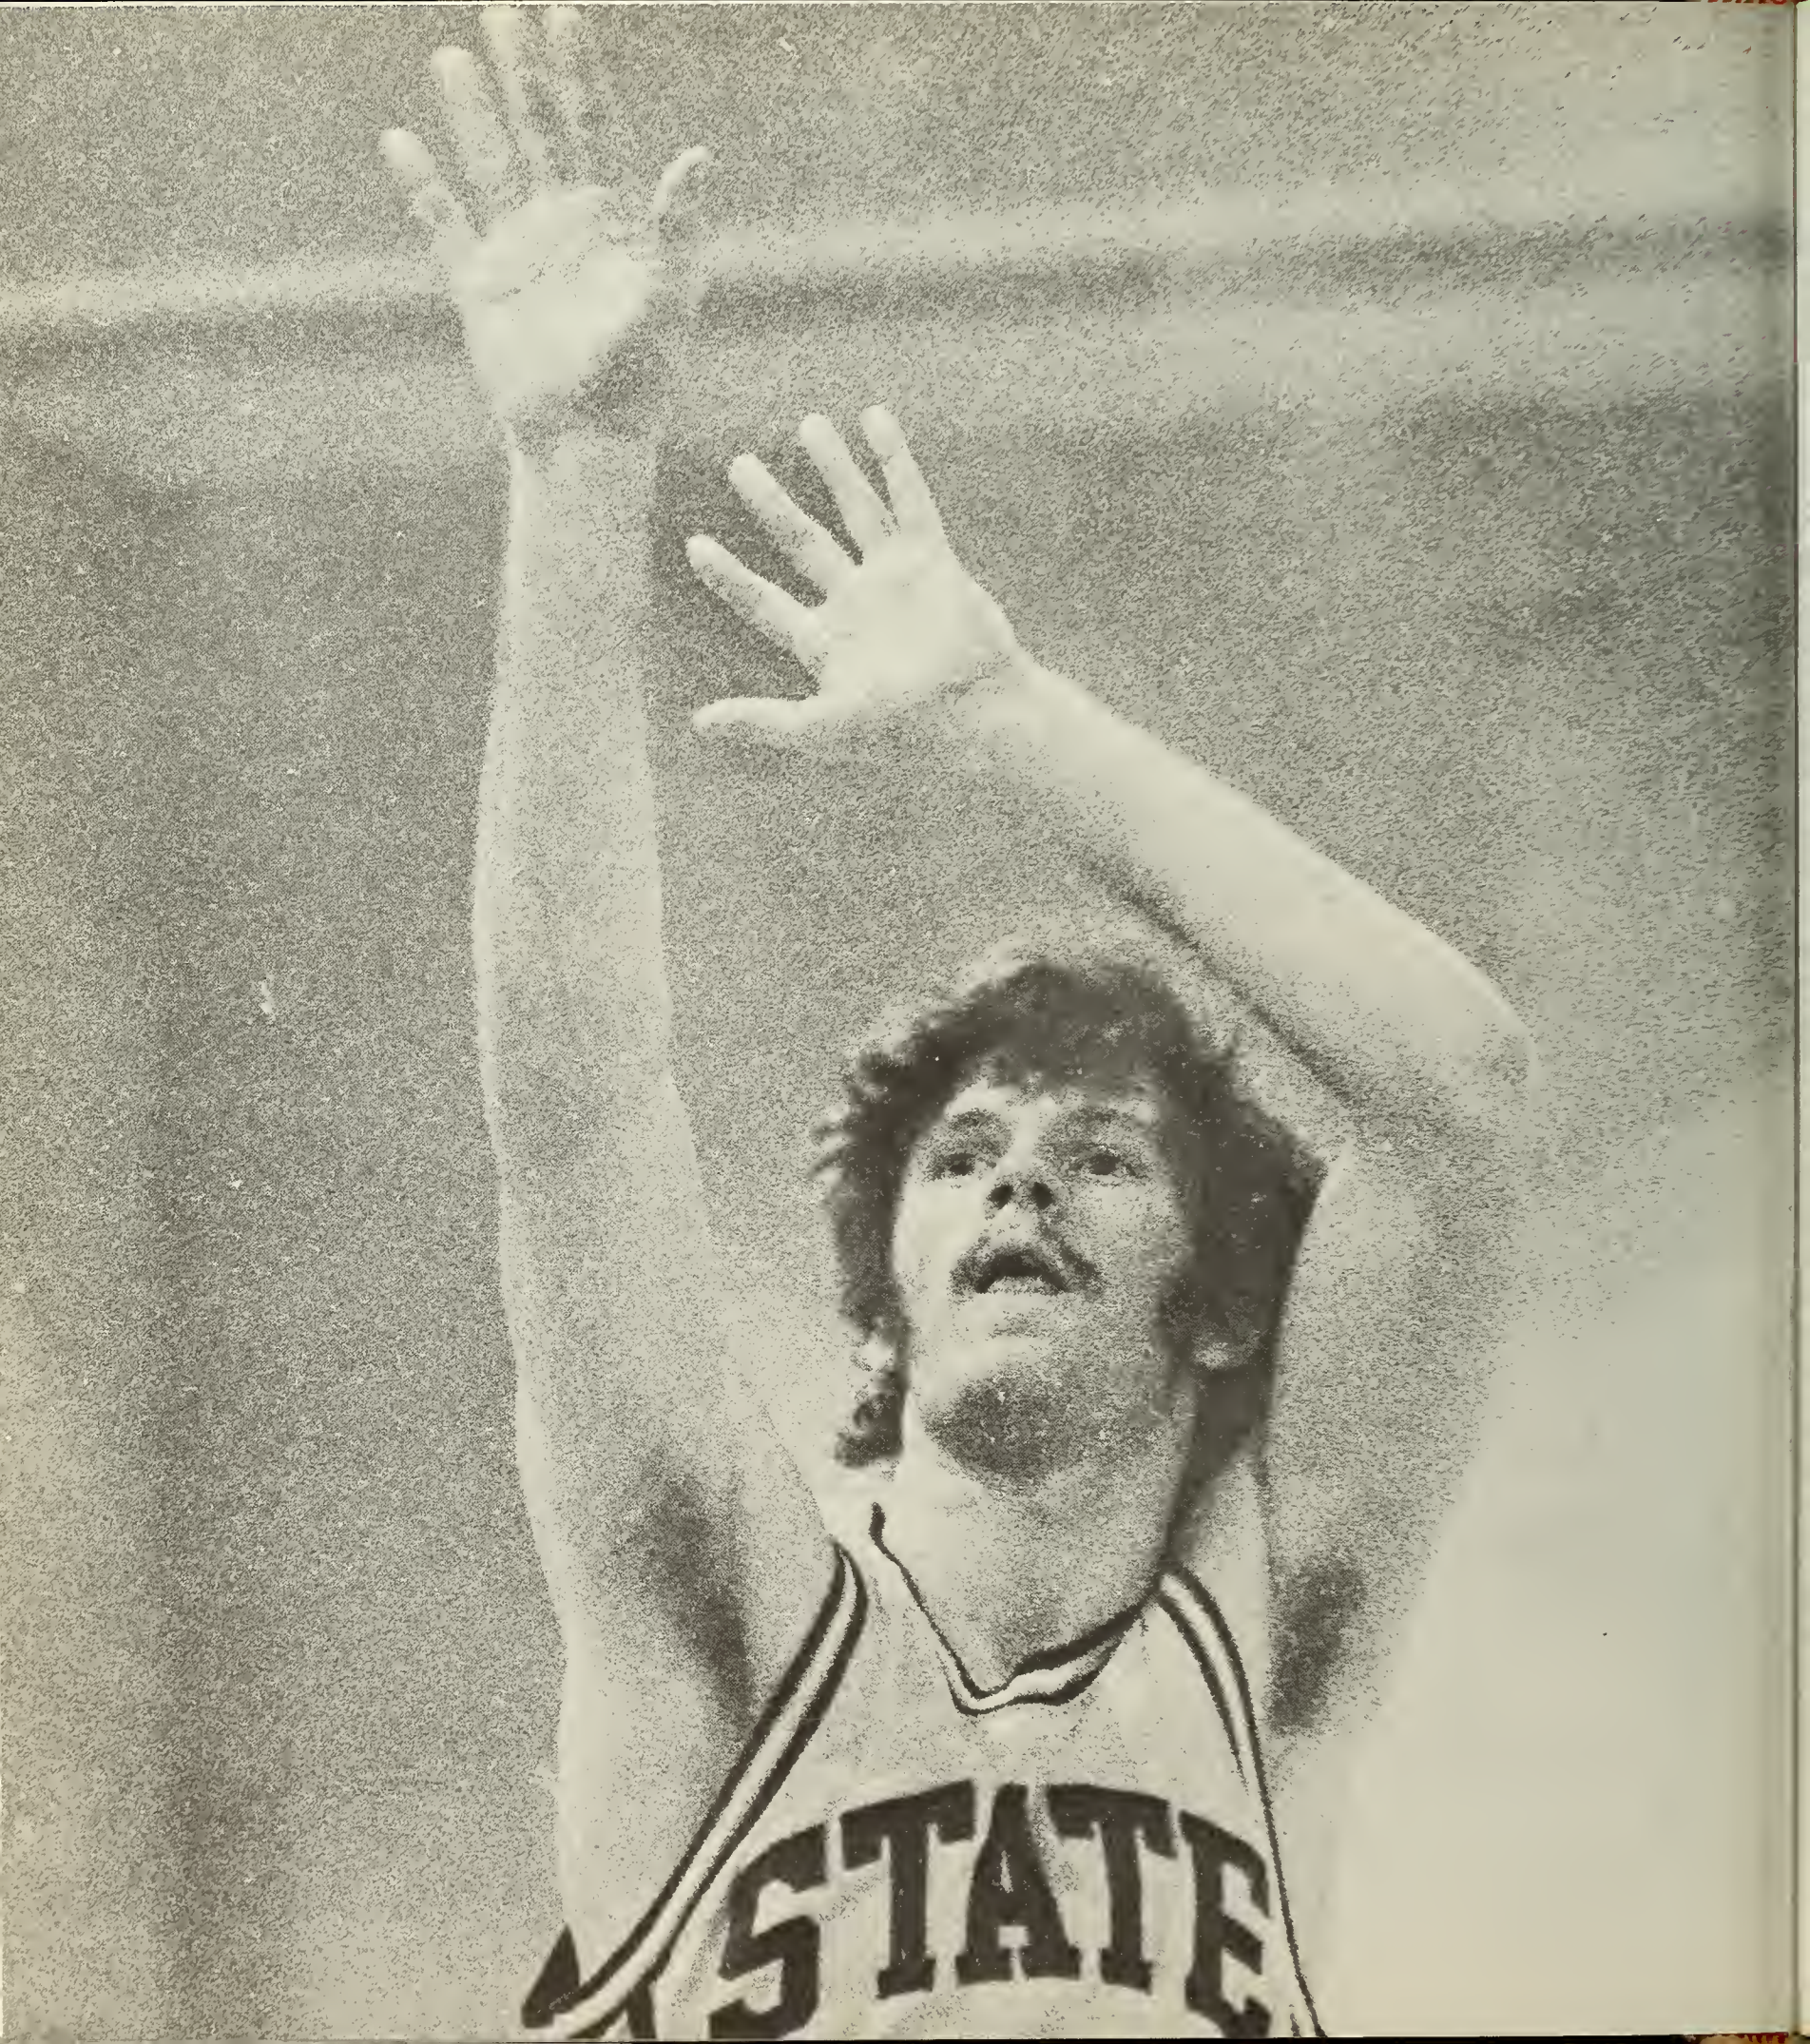

you shall above all things be  
glad and young. For if you're  
young, whatever life you wear it  
will become you, and if you are  
glad whatever's living will your-  
self become.
